St. Luke's The Woodlands Hospital ...

Top 10 in the Houston Metro Area.

Being named one of the Top 10 hospitals in the Houston Metro Area and receiving recognition as high-performing in neurology & neurosurgery and orthopedics is an honor.

Yet, what's truly impressive is not the praise, but the people who've earned it — the doctors, nurses and staff who give our patients their best, year after year.

And to our patients and their loved ones, we thank you for the trust you place in us. You're the reason we never stop reaching further and striving to be even better.

Message from the President & CEO Happy Holidays from The Chamber!

As you can see from the cover, The Chamber Staff would like to wish you the happiest of Holiday Seasons. We enjoy working with each and every one of you. This has to be the greatest community in the world. It is full of caring, giving and creative people who love working hard, doing what is best for the community at large, and doing what is best for the business community.

Our staff members love working in an environment where the volunteers are always willing to step up to the plate and give 110%. We feel that we accomplish a lot together. I personally appreciate that this business community is always open to new ideas—and willing and eager to try new things.

I also want to thank our Chamber and Economic Development Partnership staff members on the cover, along with our Information Center Staff members from The Mall and Market Street, who make it a pleasure to come to work every day. I could not ask for a more dedicated group of people to work with.

Please enjoy some time off with family and friends, and we look forward to a progressive and prosperous 2013 for everyone!

Sincerely,

Karen L. Hoylman
President & CEO
