NEW SERVICES & DEVELOPMENT

Energy Capital Credit Union has been chosen to open a branch on the ExxonMobil Campus. The branch will be a full-service institution offering an array of competitive financial products and services to members that are residents on the campus.

Memorial Hermann now provides patients with chronic medical conditions requiring frequent monitoring access to Virtual Care Check. This is a remote patient monitoring system that sends updates to their health care providers.

Virtual Care Check keeps patients out of the hospital, dramatically improves quality of life, and decreases health care costs, according to co-developer Vivify Health.

St. Luke's Lakeside Hospital is First in Montgomery Co. to Use the FDA-Approved LINQ - Insert-able Cardiac Monitoring System. This is a micro sized device that enhances a physician's ability to diagnose and treat even the most hard-to-detect cardiac arrhythmias.

The Republic Grille opened its doors in Panther Creek last month, bringing a blend of Texas and Southern cooking to the residents of The Woodlands. Exuding an eclectic Texas Hill Country atmosphere, The Republic Grille offers lunch and dinner during the week, plus a

full Texas breakfast on Saturdays and Sundays.

Woodforest opened a 4,500-square-foot model home in the Grand Marion neighborhood last month. The home features wrap-around porches, shutters, and other Southern-styled architectural details that define the neighborhood. Many homes in this site are located along the Woodforest Golf Course.

EVENTS / SERIES

The Woodlands Post 305 of the American Legion was selected to host the 7th District Spring Convention that gives valuable information and camaraderie to veterans who gave their service to America. Amy Milstead, Chairman of the Woodlands Chamber of Commerce, was the welcoming speaker.

Kidville in The Woodlands hosted a special "Sing With Me" song and story time, encouraging parents, grandparents and caregivers of all types to sing to their little ones in recognition of "Sing With Your Child" month and to get in the spirit, participants learned how to use the power of music to connect with their kids.

Crescent Moon recently hosted Barry Sea Siegel who brought a motivational message on the power of music coupled with other success-achievement techniques, to unlock personal potential. "Barry Sea Siegel has studied what music can do for people, how a lot of people are helped through music," said Rodney Anderson, owner of Crescent Moon.

Robin Roberts, Certified Health Coach with Take Shape For Life hosts a monthly Lunch & Learn the 3rd Wednesday of each month. This lunch offers tips for taking off weight and getting healthy. Lunch is provided, reservations required. Please contact Robin at 979 739-7143.

Mengyue (J.P.) Li, Chairman & CEO of CutRite Glass Solutions Inc. with corporate headquarters in The Woodlands was a presenter during a recent U.S. China Educational, Economic & Cultural

Foundation event. UCEECF was founded in 2011 to bridge U.S. and China's cultural exchange and economic development.

Mengyue (J.P.) Li, Bruce Tough, Gil Staley and Bo Liu

Enjoy "**Picnic on the Green**" with free concerts, fireworks, strolling entertainers and more at the annual "Memorial Day Weekend" produced by The Woodlands Convention & Visitors Bureau, May 24-25 from 6-9 p.m. at Town Green Park.

Over 300 energy industry professionals converged in The Woodlands last month for the second-annual **Energy Network Expo**. Attendees perused industry-specific exhibits, listened to a panel of speakers and enjoyed an afternoon of deal making and networking with professionals in the energy industry.

Guest speaker at a recent Rotary luncheon was **Charles "Chase" Untermeyer**, an Ambassador to Qatar during the Bush Administration. He was given a recess appointment by President Bush and assumed the position in 2004 holding it four years. Untermeyer gave a riveting account of the state of global affairs.

Chase Untermeyer,

ANNOUNCEMENTS

Precinct 3 County Commissioner James Noack takes a morning each year to thank those in the community who have given him their support. At this year's Appreciation Breakfast Noack invited the public to join him in showing gratitude to County Judge Alan "Barb" Sadler. Sadler is retiring after serving six terms as a county judge during a 24-year period of incredible growth and change for the area.

Market Street Photo Booth Rental, LLC announced a recent expansion to its high-end professional photo booth entertainment and corporate branding service by now extending special offerings exclusive to The Woodlands Bridal community.

LSC-Montgomery's dance department continues to grow leaps and bounds. The program exposes students to experiences with guest artists, facilitates participation in dance festivals around the area, and offers opportunities to showcase their work. With the recent addition of a Dance Performance class the students are receiving more opportunities than ever before.

Kristy Villarreal, former owner and broker of The Realtor in the Woods, announces the formation of Urban Woods Realty. "I am excited to announce this new venture," said Villarreal. "We look forward to continued growth and to strengthening the outstanding service that our clients have come expect."

Scrap Yard Sports acquired a 10,000 gallon wastewater treatment tank that will allow it to safely process its water and sewer output. "We're all about being green, and this takes it one step further," says Connie May, director of operations and finance.

GIVING BACK

The Friendship Center's Board of Directors kicked-off the 2014 Meals On Wheels Campaign with a Gather & Give™ event. With 100% board participation, the campaign received a boost towards its goal of \$70,000. The program provides over 10,000 nutritious meals each month to homebound senior adults in the county.

DW PR / WICKed Publicity hosted a Vision Board Workshop at the Crescent Moon Wine Bar recently. Proceeds were donated to the Dream It - Do It! Houston fundraiser benefiting students from the Third Ward. Proceeds help children that grow up closest to UH feel that they can attend in their future.

Praxair Inc. was recognized at the MCUW 2014 Annual Meeting. Julie Martineau, MCUW President, presented the Mitchell Energy & Development Heritage Award to the Praxair, Inc. team for their ongoing commitment and outstanding contributions to the Montgomery County United Way.

St. Anthony of Padua fish fry was recently hosted by the Knights of Columbus with the school's PTO. Proceeds from the fish fry go to support several ministries at St. Anthony of Padua Catholic Church.
