The master-planned community of Woodforest plans to introduce Gracepoint Homes into two additional neighborhoods, expanding the array of available housing choices in the community. Magnolia-based Gracepoint Homes will open this fall in Sanderling, a new neighborhood of 70-foot properties in Woodforest's

South District. Next spring, the builder is expected to begin presales in a new enclave of 50-foot homesites in the Kingsley neighborhood.

EVENTS / SERIES

Mercedes-Benz of The Woodlands presents Brilliant Lecture Series with Conversations with Ann Romney, an intimate, interactive event featuring the wife of Mitt Romney, former Governor of Massachusetts. The event will take place in at Carlton Woods in The Woodlands on October 21. At the event, Romney will talk candidly about her journey with multiple sclerosis (MS).

LILLIAN CARMINA LYONS DDS, MS
Board Certified Periodontist

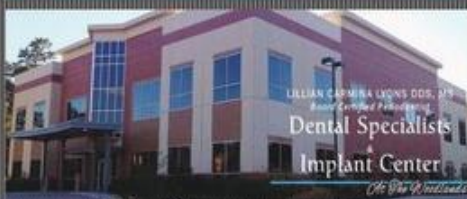

ARE YOU AT RISK?

Dr. Lyons is a Board Certified Periodontist with over 15 years of experience in the treatment of Gum Disease, Bone Loss, Dental Implantology and Oral Medicine

Periodontal disease very often silent, meaning symptoms - particularly pain - may not appear until an advanced stage of the disease. However, you should still be on the lookout for the signs and symptoms, which include:

- Red, swollen or tender gums or other pain in your mouth
- Bleeding while brushing, flossing, or when eating certain foods
- Gums that are receding or pulling away from the teeth, causing the teeth to look longer than before
- Separating teeth
- Infection, bad taste or pus between your gums and teeth
- Sores in your mouth
- Bad breath
- A change in the way your teeth fit together when you bite
- A change in the fit of partial dentures and bridges
