Cool Kat Party Supplies

Cool Kat Party Supplies is so COOL! Over 80 members and guests had the best time browsing the fun inventory.

Guests enjoyed frozen margaritas and sips of tequila from “Lone Star Parties”, amazing culinary creations provided by “Chef Michael’s Gourmet Kitchen” and fun photos in the photo booth provided by “Market Street Photo Booth Rentals”. It was a collaborative effort of Chamber members and hosts coming together in a spectacular event.

All of this was made possible by husband and wife team Glen and Sinem Mehterian owners of “Cool Kat Party Supplies”. These ‘Cool Kats’ provided stellar door prizes including a fun twist to an old party game “musical chairs” which

resulted in members Roy and Kristy Villarreal winning a TRIP TO HAWAII! You never know what you’ll walk away with when you come to a Business After Hours!

If you’re having a party or event then you need to visit Cool Kat Party Supplies FIRST! They can order anything you find online and will beat the price!
